

# Technical data sheet

## CEE connection unit, 16 A

Item no. 6109874

CEE socket with 60 mm fastening track, 3-pin + N + PE, 400 V, 16 A, 6 h.

### Master data

|                          |                        |
|--------------------------|------------------------|
| Item no.                 | 6109874                |
| Type                     | CEE-16A                |
| Description 1            | CEE socket,            |
| Description 2            | 3-pole+N+PE 400 V 16 A |
| Dimension                | 75x75x72               |
| Smallest sales unit (VG) | 1 Piece                |
| Weight                   | 19,10 kg/100 pc.       |

### Technical data

|                                 |                                        |
|---------------------------------|----------------------------------------|
| Length                          | 72,00 mm                               |
| Width                           | 75,00 mm                               |
| Height                          | 75,00 mm                               |
| Version                         | Connection unit, 3-pin+N+PE 400 V 16 A |
| Connection technology           | Screwless terminal                     |
| Drill hole spacing, horizontal  | 60,00 mm                               |
| Drill hole spacing, vertical    | 60,00 mm                               |
| Flange dimension, horizontal    | 75,00 mm                               |
| Flange dimension, vertical      | 75,00 mm                               |
| Cable entry                     | Other                                  |
| Military version                | <input type="checkbox"/>               |
| Nominal voltage                 | 400,00 V                               |
| Nominal current                 | 16,00 A                                |
| Pole number                     | 5                                      |
| Protection rating               | IP44                                   |
| Voltage according to EN 60309-2 | 400 V (50+60 Hz) red                   |
| Direction of insertion          | Straight                               |
